“November Events”

Introductory Course to Jazz/Pop and IMPROVISATION

by: *Manuel Zeh* - From Germany

- *Pop & Rock Piano*
- *Jazz & Blues Piano*
- *Played freely without notes*
- *Reading Chords and Lead Sheets as well as improvising*
- *Music theory & Jazz theory including Harmony, chords, scales etc.*

□ The Most important part is, However, to start using the material right away, so as not to get hung up on theory. Therefore, the class will also be about how to first get started on improvisation immediately and taking the first step to develop musical freedom and creativity
